

# More on Tables and Graphics

Davide Grimaldi

## 1 Introduction

Here we'll look at more table and graphics formatting

### 1.1 More on Tables

Table 1 uses text wrapping in the last column.

Table 1: Text wrapping

CS201	Languages	Programming Languages principles
CS301	Compilers	Principles of Compilers design and implementation

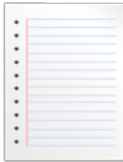

Table 2 uses row and column span.

Table 2: Spanning rows and columns

	Ranges	
	X	Y
Hot	7	9
	5	8
	6	7
Cold	4	7
	2	9
	3	5

### 1.2 More on Graphics

Both of my graphics are in the graphics folder for the subfigures, Figure 1a and Figure 1b in Figure 1
